AMP[®] Low Voltage Landscape Lighting AMP[®] SummitPro™ Path & Area Light (Integrated)

Product Description

The AMP[®] SummitPro™ Path & Area Light features a traditional and appealing architectural style, and is now offered with an integrated LED stem option. It is compact and projects a medium-sized soft-edged beam. Constructed of solid cast brass, this fixture will never bend or break. The antique bronze finish becomes more beautiful as it ages. The shade and stem are assembled with strip resistant threading - no additional hardware required. With the latest addition to AMP[®]'s flagship path light series, the new stems feature field-serviceable integrated LED light sources. An ideal fixture to illuminate pathways, driveways, steps, stairs, and landscape regions such as gardens, patios, and docks. Hassle-free Lifetime Warranty.
