

AMP® Low Voltage Landscape Lighting PinnaclePro Mini Path Light- APL-3017-4-X-XX

Product Description

The PinnaclePro Mini Path Light is a durable grade solution for all of your path light needs. Heavy solid brass construction and lifetime warranty. Extremely versatile fixture. Combines the durability and sealed fixture of a spotlight, with the concept of an adjustable path light. Perfect for high end homes and commercial applications. Use as a path, area, spot, flood, or golf course specialty fixture. The premium components include; silicone sealed, tinned copper lead wire, 1" thick stem made of solid brass, O-ring sealed cap assembly, and UL braided sleeve protectors over internal wiring. Use a 20w MR11 lamp with a 60 degree beam spread for maximum illumination.

Product Dimensions

Features & Benefits

- ▶ Solid Brass
- ▶ Pre-aged finish- a natural patina that does not corrode
- ▶ Beryllium copper socket - more corrosion resistant than copper
- ▶ Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem
- ▶ Pressure-fit rubber gasket for a moisture tight design
- ▶ Extra-long (1-inch) strip resistant threading and solid brass locknut provide superior mounting stability
