VOLT® Low Voltage Landscape Lighting

VOLT® Multi-Flux Integrated LED Brass Spotlight (Bronze) - VAL-2011-BBZ

Product Description

The VOLT® Multi-Flux Integrated LED Brass Spotlight is specially designed for convenient manual dimming. With a built-in push button, this integrated LED spotlight can easily be dimmed in 5 stages (20% intervals) - no remote control is required. The manual dimming allows for setting the ideal illumination level based on the intended application. Constructed of solid brass with an antique bronze finish for a lifetime of durability and beauty. Features toolless adjustability for easy installation and fine-tuning. Backed by VOLT®'s Lifetime Warranty.

Product Dimensions

Specifications

- **Construction:** Brass
