

VOLT® Line Voltage Landscape Lighting

120V RGBW LED Flood Lights - VFL-450X-LI-ABZ

Product Description

VOLT®'s line of RGBW color-changing LED floodlights are designed for bright illumination with vivid, balanced colors of light. Each fixture utilizes powerful, efficient integrated LEDs. IR remote control capabilities allow for simple color changing and offer 10-step dimming option (remote control included). Ideal for adding color to expansive areas, or large landscape/architectural features. Available in low-voltage (12V) and line-voltage (120V) for larger/commercial applications.

Dimensions
