

VOLT® Low Voltage Landscape Lighting

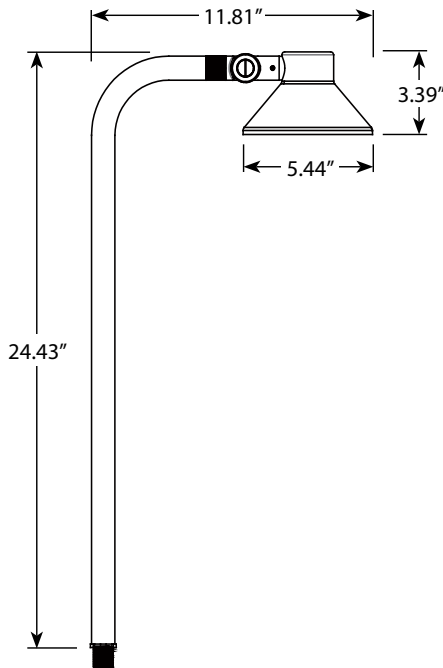

VPL-1048-BBZ- G2 Arch Brass Path & Area Light (Bronze)

Product Description

Now with extra adjustability, VOLT®'s second generation Arch Path & Area Light is a low-voltage outdoor light ideal for illuminating walkways, patios, driveways, and area lighting. Constructed of solid brass with an attractive bronze finish and a classic curved design. The spun brass shade has white enamel inside for maximum reflection and light/lumen output. Utilizes LED G4 Bi-Pin bulbs with a frosted glass globe for added protection for the bulb and diffused illumination. Built with premium internal components to ensure durability and longevity, and backed by a Lifetime Warranty.
