VOLT® Low Voltage Landscape Lighting

VOLT® Conehead Mini Path & Area Lights – 310 Series

PRODUCT DESCRIPTION

The Mini Conehead Path & Area Light boasts a sleek black powder-coat finish, ideal for modern landscapes. This mini version keeps the key advantage of a compact design: a 12.25" stem for a total height of just 15". Perfect for smaller area lighting applications, it provides a subtle 6-foot diameter beam spread. Use the surface mount for versatile placement on walls, pillars, or for custom applications. Space the fixtures about 6 feet apart for continuous path illumination or 8.5 feet apart for independent pools of light.

PRODUCT DIMENSIONS

SPECIFICATIONS

- **Construction:** Solid Brass or Solid Raw Copper
- **Finish:** Bronze, Powder Coated Black, or Raw Copper
- **Lead Wire:** 18 AWG
- **Lens:** Clear protective polycarbonate lens
- **Light Source:** Bi-Pin (LED or Halogen)
- **Operating Voltage:** 12VAC
