AMP® SoffitPro MR16 Recessed Downlight (Lamp-Ready) - AAL-1047-A-WH

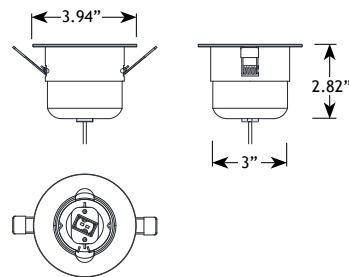

Product Description

The SoffitPro MR16 Recessed Downlight is an adjustable, lamp-ready 120V soffit fixture designed specifically to be recessed into exterior soffits or ceilings. The design allows for 360° rotation of the bulb housing for precision aiming and the bulb is easily interchangeable. The included wiring hub features a quick connect plug for quick installation and easy daisy chaining (1 hub required per fixture). UL & cUL® Listed and backed by a 5-Year Warranty.
