

AMP® Low Voltage Landscape Lighting RenaissancePro Deck Light- ADL-2011-4-B-BZ

Product Description

The AMP® RenaissancePro Deck Light manages to pull off the difficult task of delivering ornamental beauty while maintaining professional grade quality and durability. The leaf design of the AMP® RenaissancePro Deck Light perfectly compliments our other floral inspired products. This is the ideal fixture for projects that require a deck light in that it can be admired equally during the day or night. A unique feature of the AMP® RenaissancePro Deck Light is the ability to attach decorative arms to the fixture to further improve its aesthetics and prominence. The decorative arms can be placed above and/or below the fixture to best suit the project at hand. Furthermore, AMP® created the arms in a way that allows for the linking of multiple arms, giving you a greater variety of design options. This fixture is compatible with most halogen and LED Bi-Pin bulbs. It is made of solid cast-brass and commercial grade components, so this fixture is sure to last. We back this claim up by including AMP's Lifetime Warranty on this fixture.
