## AMP<sup>®</sup> Low Voltage Landscape Lighting StetsonPro 12" Area Light- 3500 Series

### Product Description

The StetsonPro 12" Two Tier Area Light is a high-quality outdoor lighting fixture that produces a very wide beam. At 12 inches in diameter, this fixture has a large oriental style hat that really stands out. The traditional double tiered pagoda style shape makes this fixture look great in almost any setting. The shape sheds water with ease, while also allowing the most light to escape from below as possible. The inside of the hat is coated with a white reflective enamel for increased lumen efficiency. The solid brass material makes this both heavyweight and rugged. With this luminaire, will never have to worry about corrosion or rust!

### Product Dimensions

### Features & Benefits

- ▶ Solid Brass
- ▶ Pre-aged patina; a natural finish
- ▶ Stem is 1-inch thick and includes extra-long (1-inch) strip resistant threading for greater stability.
- ▶ Beryllium copper socket - more corrosion resistant than copper.
- ▶ Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.

### Specifications

- ▶ **Construction:** Brass
- ▶ **Finish:** Bronze
- ▶ **Lead Wire:** 4' (standard) or 25' (optional) 18AWG
- ▶ **Mounting:** 10" Hammer<sup>®</sup> Stake with cutout for wire exit
- ▶ **Lens:** Clear Polycarbonate Lens
- ▶ **Light Source (sold separately):** Bi-Pin (LED or Halogen)
- ▶ **Operating Voltage:** 12VAC
- ▶ **Powered by:** AMP's Low Voltage Transformer
