

# AMP® Solar Landscape Lighting

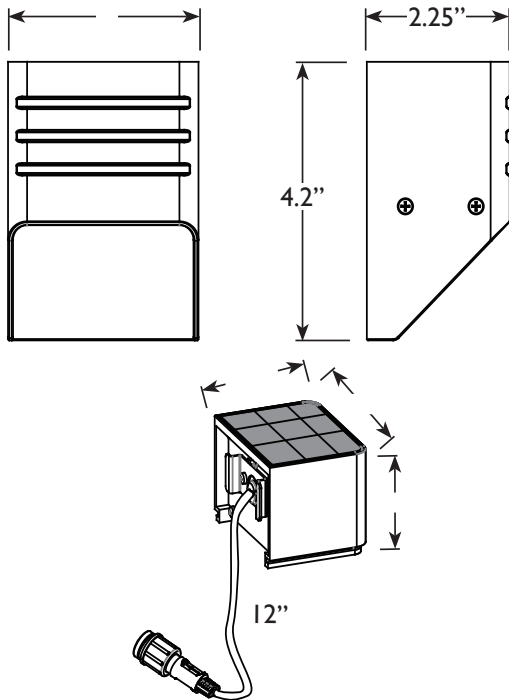

## AMP® Solarium Brass Solar LED Deck Light- ASDL-2014-B-BZ

### Product Description

The AMP® Solarium Brass LED Deck Light revolutionizes the way you will view solar products. With a full solar charge, this fixture offers 30 lumens of subtle, balanced illumination for several hours, then will gradually and subtly dim throughout the night before powering off for a total of 5-6 hours of use each night depending on the charge. Water-resistant features of the solar deck light include: sealed battery enclosure, potted socket, and pressure-fit gaskets in the body of the fixture. Premium quality components along with our lifetime warranty ensure this solar-powered fixture will last a lifetime.

### Product Dimensions

### Specifications

- ▶ **Construction:** Brass
- ▶ **Finish:** Bronze
- ▶ **Mounting:** Stainless steel bracket and screws
- ▶ **Light Output:** 30 lumens that gradually diminish as the batteries drain
- ▶ **Lens:** Clear Glass
