

AMP® Low Voltage Landscape Lighting AMP® ONE HydraPro™ LED Well Lights (Dimmable)

Product Description

The HydraPro™ Well Light is a low voltage outdoor professional grade well light. Made from cold forged brass with a reinforced PVC canister. Great for up lighting trees, columns, walls and anything where a low profile outdoor well light fixture is desired. Featuring a fully adjustable integrated LED housing that can be angled as well as moved up and down to allow for precision light aiming.

Product Dimensions
