

VOLT® Low Voltage Landscape Lighting

VOLT® Colored Single Source LED MR16 Bulbs

Product Description

Engineered to withstand the elements, VOLT® LED bulbs are designed specifically for low-voltage landscape lighting and are backed by a Lifetime Warranty. Multi-source technology combined with true-to-color LEDs creates powerful, vibrant colors of light output. Ideal for applications where balanced, colorful illumination is desired. VOLT® LED MR16 Bulbs are a CONFORMING SIZE - the LED Lightbulbs will fit any VOLT® LED landscape lighting fixture that requires an MR16 bulb. Select the color that's best suited for the application.

Product Dimensions
