

VOLT® Line Voltage Landscape Lighting

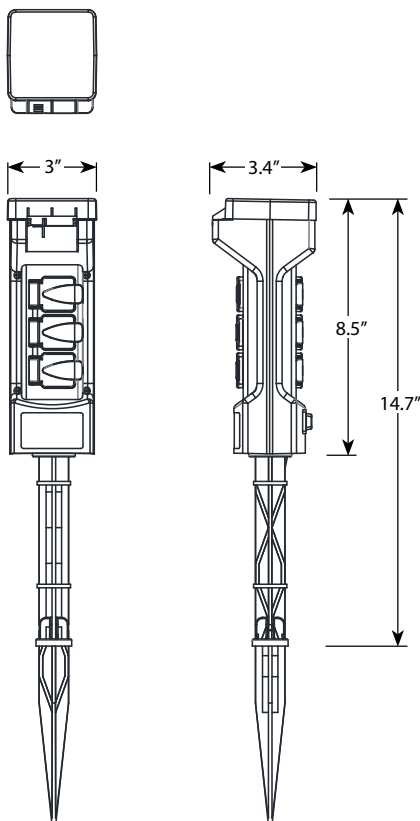

VOLT® 120V 6-Outlet Outdoor Power Stake with Timer - VAC-STK-PWR-PGR

Product Description

Regulate your landscape and seasonal lighting with a 6 outlet 120V power stake with a built in mechanical timer. This stake has six grounded outlets with waterproof covers. The VOLT® Power Stake is perfect for seasonal lighting such as Christmas lights or bistro lights and can also be used for other electrical garden decor around your home. This device is easy to program with the built-in timer - up to 24hrs on and off settings per day- and is also easy to install using the included ground stake.
