

# VOLT® Low Voltage Landscape Lighting

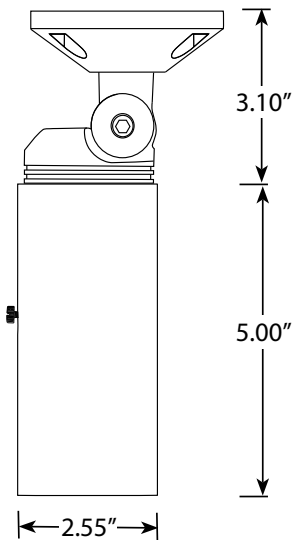

## All Star Tommy Light- VAC-AL-GGT1-BBZ

### Product Description

VOLT's All Star Tommy Light utilizes the same superior quality of one of our most popular outdoor lighting fixtures; VOLT's All Star Spotlight. This luminaire features a flush cut glare guard that gives the fixture a modern look, perfect for contemporary homes. The VOLT® All Star Tommy light was suggested by one of our long time contractors. We liked the idea so much that we named it after him. The Tommy Light is the perfect outdoor LED low voltage fixture for task lighting and outdoor kitchens/structures. Affix it to the ceiling and it makes a great surface mounted light when installing a recessed can is just not possible. Attach it to a wall for task lighting with added glare protection. Adjust the glare guard to get the fixture "look" you need with great 360° glare control! This luminaire has a heavy solid cast brass construction and comes with a lifetime warranty. The All Star Tommy Light is the smartest purchase you can make when seeking a high quality task light.

### Product Dimensions

### Features & Benefits

- ▶ Solid Brass
- ▶ Pre-aged finish- a natural patina that does not corrode
- ▶ Beryllium copper socket - more corrosion resistant than copper
- ▶ Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire.
- ▶ Water tight silicone O-ring - keeps water from entering luminaire
- ▶ Heavy duty adjustable knuckle that allows light to be positioned
- ▶ Extra-long (1-inch) strip resistant threading and solid brass locknut provide superior mounting stability
