

VOLT® Low Voltage Landscape Lighting

Locket Mini Brass Hanging Light (Bronze)- VAL-9504-4036-BBZ

Product Description

VOLT®'s mini hanging light is ideal for illuminating smaller outdoor spaces where a compact, discreet fixture is desired. This fixture illuminates a circular spot directly beneath the fixture and simultaneously produces a beautiful, decorative pattern around this spot; similar to that of the light produced by the Tranquility & Estate Pendant hanging lights. Designed for use with VOLT®'s Bi-Pin LED Puck Lights ONLY. The bi-pin style puck lights can be tightly secured to the socket via the included screws, which prevents the light source from potentially being knocked out during operation. Constructed of solid brass to last a lifetime and backed by a Lifetime Warranty.

Product Dimensions
