

VOLT® Low Voltage Landscape Lighting

Dojo Deck Light - VDL-6009-4-BBZ

Product Description

The Dojo Deck Light is a high-quality, low voltage outdoor lighting deck fixture from VOLT®. Featuring an easy access faceplate; even easier than previous deck light models, that only takes a quarter turn to unlock & remove. It is equally strong when locked into place keeping its body securely fastened. This series also features a wire strain relief in the design to keep the wire from being pulled from the fixture. Because it is integrated, there are no bulbs to worry about either. Just install and enjoy. Backed by our lifetime warranty, because failure is not an option.

Product Dimensions

Specifications

- ▶ **Construction:** Brass
- ▶ **Finish:** Bronze
- ▶ **Lead Wire:** 18AWG
- ▶ **Mounting:** Two Lock Screws (required)
- ▶ **Lens:** Clear Glass
