

VOLT® Low Voltage Landscape Lighting Cypress Bollard - VPL-1042-4-BBZ

Product Description

This decorative bollard light is an eye-catching luminaire beautiful both day and night. When lit, the 22.5” cylinder projects a compelling pattern of light and shadow. Includes one integrated LED light source. VOLT® Bollards represent impressive and effective visual elements in the landscape lighting design. They add flair and wonder to the nighttime ambiance. The fixtures can be installed in the landscape through use of an included 9” stake; or onto decks or patios with screws and anchors (not included). 10 Year Warranty included.

Product Dimensions

Features & Benefits

- ▶ 3ft diameter casts a decorative hard cutoff pattern.
- ▶ Built in threaded coupler on the bottom for easy stake mount installation.
- ▶ Pre-installed 2700K puck light for a warm soft light.
- ▶ Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
