

VOLT® Low Voltage Landscape Lighting Traditional Lantern Brass Path & Area Light- VPL-1047

Product Description

The VOLT® Traditional Lantern Path & Area Light is a professional grade, solid brass fixture with an elegant lantern-style appearance that complements traditional or classical architectural and landscape styles. The lamp housing features an ultra-realistic flame simulating LED bi-pin (included), while a hidden LED bulb under the lantern projects light downward for area lighting. It provides subtle, balanced illumination ideal for lighting along walkways or garden beds. Backed by a Lifetime Warranty.
