

VOLT® Low Voltage Landscape Lighting

Flat Hat 5" Path & Area Lights - 322 Series

Product Description

The Flat Hat 5" Path & Area Light is a high-quality outdoor light that is perfect for illuminating pathways, walkways and even small flower beds. The solid construction is designed to stand up to everything that mother nature throws at it, yet still be easily accessible for maintenance.

Two models are available - one constructed of solid brass, the other of copper. Corrosion-resistant internal components and an easy-to-change bulb socket-and-enclosure ensure years of optimal performance. - Lifetime Warranty.

Product Dimensions
