

VOLT® Low Voltage Landscape Lighting Pagoda Path Light- 370 Series

Product Description

The VOLT® Pagoda Path Light has a classic Asian-inspired look with advanced features. The wider flanges result in less direct glare and better reflection down onto the surface of the ground. Corrosion-resistant internal components ensure years of optimal performance. The placement of the socket on the stem top makes inserting or changing bulbs fast and easy. Comes with a lifetime warranty.

Product Dimensions

Features & Benefits

- ▶ Solid Brass construction
- ▶ Pre-aged finish; natural patina that does not corrode.
- ▶ Stem is 1-inch thick and includes extra-long (1-inch) strip resistant threading for greater stability.
- ▶ Beryllium copper socket - more corrosion resistant than copper.
- ▶ Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
