

VOLT® Low Voltage Landscape Lighting

VOLT® 2-in-1 Tiki-Brass Torch Path & Area Lights - 380 Series

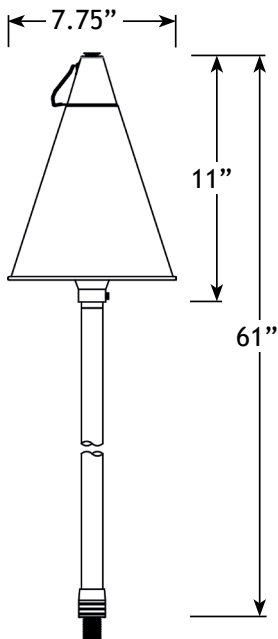

Product Description

The VOLT® Tiki-Brass Torch Light is a modern tribute to the ancient tiki torches from Polynesia. Traditionally, tiki torches honor the spirits of fire and light. The VOLT® Tiki Torch keeps to this tradition since it contains both fire (fueled by an oil reservoir) and light (from an LED bulb located under the shade).

In addition to lending a tropical look, this fixture functions as an insect repellent. This is accomplished by filling the reservoir with citronella oil.
