

VOLT® Solar Landscape Lighting

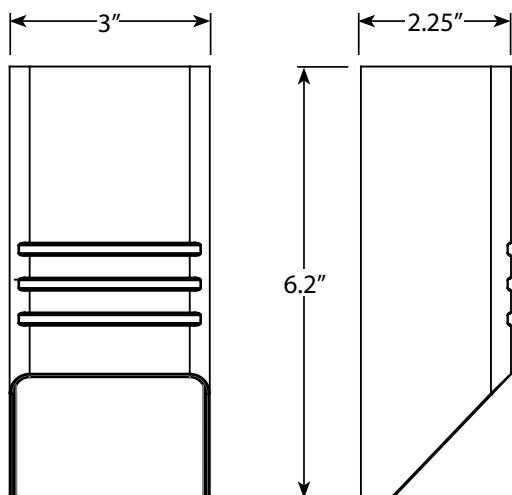

Solar Deck Light- VSDL-6012-BBZ-R1

Product Description

Solid brass construction with a pre-aged bronze finish, premium-grade internal components, and a water-tight IP65 rating ensure the enduring performance of this solar deck light. On a full charge, this solar deck light produces 30 lumens of a warm 2700K glow before gradually dimming and powering off for 5-6 hours each night. The detachable solar panel has an 8.5-inch connecting wire, giving you flexibility to adjust its position for the best sunlight to keep your light powered up.

Product Dimensions
