

VOLT® Solar Landscape Lighting

Solar Integrated LED Post Top Light- VSPL-1046

Product Description

With a full charge, this solar post-top fixture offers 50 lumens of subtle, balanced illumination for several hours, then will gradually and subtly dim throughout the night before powering off for a total of approximately 6-7 hours of use each night. Quick and easy installation with mounting hardware included. Designed for standard 4x4 posts. Transform your deck or patio while “Going Green” with solar powered lighting. Available in brass/bronze or plastic/black.

Product Dimensions
