

VOLT® Low Voltage Landscape Lighting

VOLT® RGBW Salty Dog Integrated LED Brass Underwater Light (Bronze)

Product Description

The Salty Dog is VOLT®’s most advanced underwater light. This integrated LED version is the first underwater light of this premium series to offer powerful, vivid RGBW color-changing capabilities. The fixture ships set at 100% light output with 2700K color temperature. Color modes and 10-step dimming options are unlocked using the VOLT® RGBW Remote Control (only one remote control is required to control VOLT® RGBW lights). Offers interchangeable optics - 60° lens pre-installed and 38° lens available separately. Constructed of durable cold forged brass with a robust base for secure mounting - no hardware required. Shielded and grated glare guard options available separately. Backed by VOLT®’s Lifetime Warranty.

Product Dimensions

• 100% - 12w	50% - 9w
• 90% - 11w	40% - 7w
• 80% - 10.5w	30% - 5w
• 70% - 10w	20% - 4w
• 60% - 9.5w	10% - 2w

Features & Benefits

- ▶ Cold forged brass faceplate with pressure fit gasket (must be tightened in a star pattern) to guarantee complete waterproofing.
- ▶ Water tight wire glands ensure water cannot get inside the fixture.
- ▶ Extra heavy brass mount for stability.
- ▶ This fixture can be used fully submersed in water or on land.
- ▶ Raised lens to prevent water from puddling.
- ▶ These underwater lights have 2 additional styles of faceplates to choose from: shielded & grated (sold separately).
- ▶ RGBW available with remote sold separately.
- ▶ Comes with 60° optic pre-installed (38° available separately)
