

VOLT® Low Voltage Landscape Lighting

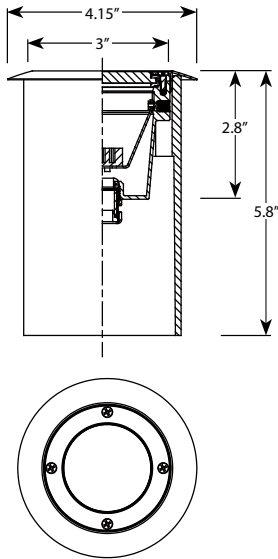

Salty Dog MR11 Well Light- VWL-7121-BBZ

Product Description

The Salty Dog MR11 Well Light is a low-profile, low-voltage professional grade well light. Great for up lighting on trees, columns, walls and areas where a discreet outdoor in-ground fixture is desired. This innovative well light features an adjustable lamp housing to give you a directional angle for precise aiming (a feature not common among other well lights on the market). Made from cold forged brass with reinforced PVC canister, the Salty Dog offers a lifetime of durability and protection against moisture intrusion. This fixture comes lamp-ready so you are able to customize your lighting with an array of our MR11 lamps. Versions offered include: Open-Face, Grated, Shielded, Beacon, and Turret Top.
