

AMP® Low Voltage Landscape Lighting

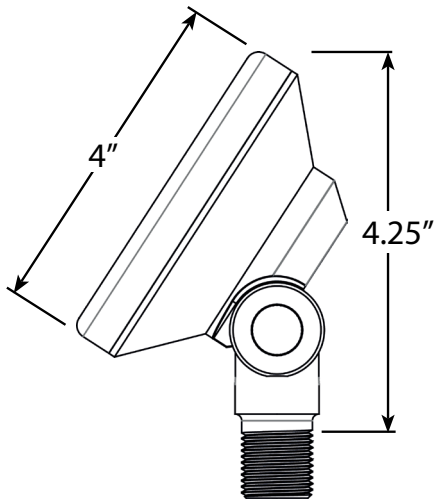

EquaPro™ Wall Wash- AAL 1014

PRODUCT DESCRIPTION

Designed specifically for customers seeking modern aesthetics and unique lighting effects, the AMP® EquaPro Brass Black Wall Wash is a game-changer in the world of outdoor illumination. With its exceptional features and benefits, this wall wash light delivers a stunning lighting solution that goes beyond traditional spotlights. What sets the EquaPro Wall Wash apart is its ability to provide highly diffused, wide beam illumination without the typical cone-shaped patterns produced by traditional spotlights. The round shape and frosted lens work harmoniously to create an extra-wide beam with soft edges, delivering a beautiful and evenly distributed light that bathes your desired areas in a gentle, captivating glow.
