

# AMP® Low Voltage Landscape Lighting

## PolynesianPro Torch Light- AAR-3518

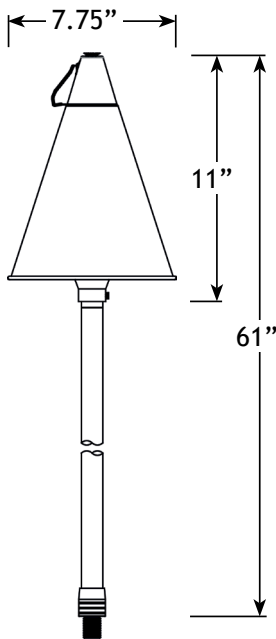

### PRODUCT DESCRIPTION

An innovative 2-in-1 fixture that blends the warmth of a real flame tiki torch, fueled by an integrated oil reservoir, with the practicality of a low voltage LED path light, making it an ideal addition to patios, walkways, and outdoor entertaining spaces.

Inspired by the traditional Polynesian tiki torch, this fixture offers both ambiance and functional illumination, now in a durable black powder-coat finish. The torch can also serve as an insect repellent when filled with citronella oil, helping to keep outdoor spaces comfortable and pest-free. Designed to provide wide, uniform illumination around its base, the low-voltage LED light ensures added safety and security for outdoor areas.
