

AMP® Low Voltage Landscape Lighting

AMP® StoutPro PAR36 G2 Brass Black Flood Light - (AFL-4015-4-B-BK)

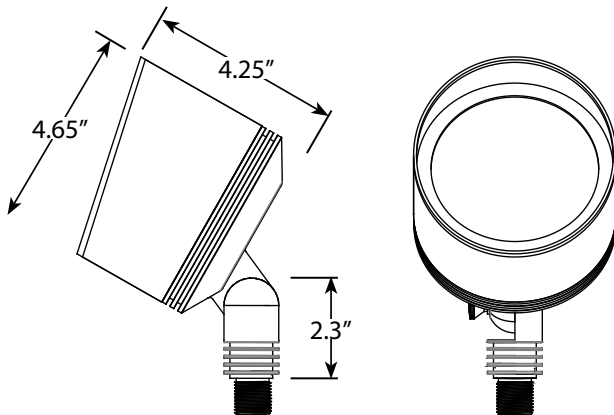

PRODUCT DESCRIPTION

With its solid brass construction, the AMP® StoutPro PAR36 G2 Brass Black Flood Light offers exceptional durability and longevity, making it a reliable choice for a variety of outdoor lighting projects. The modern black finish adds a touch of sophistication, allowing it to seamlessly blend with contemporary design aesthetics.

The AMP® StoutPro PAR36 G2 Brass Black Flood Light features an adjustable and tool-less knuckle allowing for precision aiming and flexibility to highlight specific areas such as large signage, walls, trees, and more. This light is also engineered with a water-tight design to protect against moisture and other outdoor elements.
