

# AMP® Low Voltage Landscape Lighting

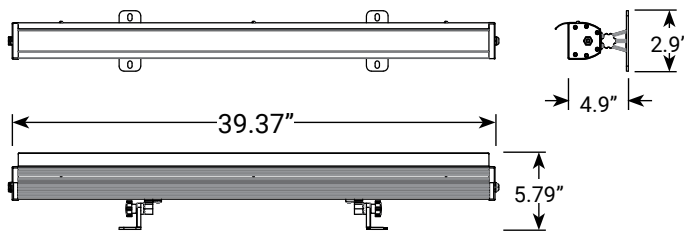

## RGBCW LED Wall Wash Light Bar-AFL-4026-A-BK

### PRODUCT DESCRIPTION

The RGBCW LED Wall Wash Light Bar is a powerful, low voltage solution designed for expansive wall washing applications in commercial, residential, and HOA settings. Delivering 75W of vibrant, color changing illumination, this fixture provides a seamless, uniform wash of light—ideal for signage, building facades, and outdoor landscapes. Its 180° rotatable design allows for precise positioning, whether mounted upward or downward on hardscapes, while its IP65-rated aluminum construction ensures durability in all weather conditions. Unlike traditional line-voltage options, this low-voltage fixture offers greater installation flexibility and energy efficiency. Operated via an RF remote (sold separately), it allows for effortless color selection, dimming, and scene customization. Glare guard included.

Installation Note: Due to its high wattage (75W), this fixture must be wired directly into the transformer and should not be connected through a hub to prevent overloading. We recommend no more than 80W per voltage tap to maintain optimal system performance and longevity.

### PRODUCT DIMENSIONS

### FEATURES & BENEFITS

- ▶ 180° rotatable
- ▶ Durable aluminum construction
- ▶ Beryllium copper socket – more corrosion resistant than copper.
- ▶ Onyx finish easily blends into any landscape while providing marine and aircraft-grade protection against the harshest of elements
- ▶ Can be used in both up- and downlighting applications.
- ▶ Lumens: 2100 at 2200K | 2300 at 2700K | 2400 at 3000K | 2500 at 4000K
- ▶ Lumens: Red (580lm) | Green (1600lm) | Blue (283lm)

### SPECIFICATIONS

- ▶ **Construction:** Aluminum
- ▶ **Finish:** Black
- ▶ **Lead Wire:** 4' 16 AWG
- ▶ **Lens:** Clear Flat Glass
- ▶ **Light Source:** Integrated
- ▶ **Operating Voltage:** 12VAC
- ▶ **Powered by:** AMP's Low Voltage Transformer
- ▶ **Watts:** 75W
- ▶ **IP Rating:** 65

### WARRANTY

5 Year Warranty
