

AMP® Low Voltage Landscape Lighting

27W RGBCW LED Flood Light - AFL-4033

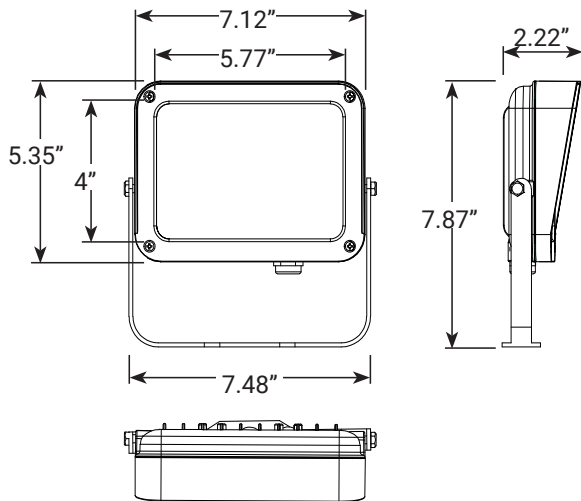

PRODUCT DESCRIPTION

Equipped with a powerful 27W integrated LED and color-changing capabilities, this flood light ensures bright and efficient, customizable illumination. With a wide 120° beam angle, this flood light offers expansive coverage, making it suitable for large features, up-lighting tree canopies, and more.

The yoke mount adds flexibility to installation, allowing the light to be positioned exactly as needed. The solid brass construction, pre-aged bronze finish, and IP65 rating ensure that this flood light is protected from dust and jetting water guaranteeing long-lasting performance. Requires AMP® RGBCW RF Remote Control (sold separately) for color-changing, dimming, and CCT features.
