AMP® Low Voltage Landscape Lighting

ControlPro™ Modular Rotatable LED Hardscape Light

AHS-68XX-25-B-BK

PRODUCT DESCRIPTION

The ControlPro™ Hardscape Light series is specially designed with lighting professionals in mind – optimized for field-service. Highly innovative, modular designs allow for magnetic LED light modules to be easily removed and quickly serviced; no tedious rewiring is required. Hardscape lighting is traditionally complex to install and maintain – save time & money with this AMP® exclusive innovation.

Ideal applications include mounting under capstones; railings; outdoor kitchen counters and cabinets; benches; and eaves.

PRODUCT DIMENSIONS

FEATURES & BENEFITS

- ▶ Magnetic LED light module specially designed to allow for easy removal and servicing – no rewiring required.
- ▶ Cast brass construction with antique bronze finish for durability and long-term beauty.
- ▶ Rotatable light housing allows for unique applications and custom aiming of light (180° rotation).
