

# AMP® Low Voltage Landscape Lighting

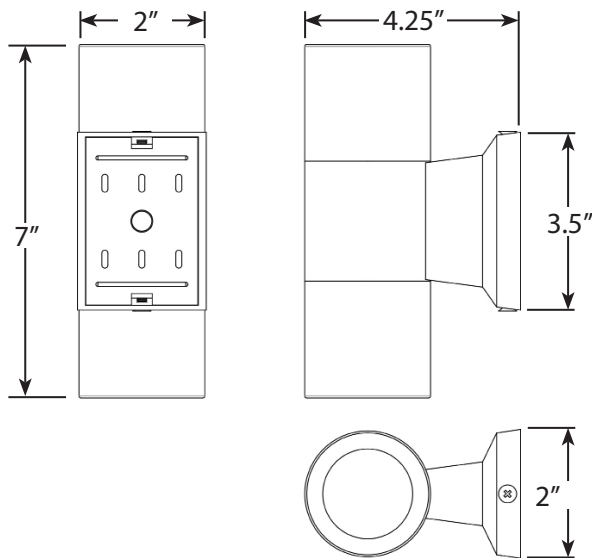

AMP® LateralPro Up/Down Black Hardscape Light - (AHS-7003-4-B-BK)

## PRODUCT DESCRIPTION

Built with meticulous attention to detail, the solid cast brass construction of this sconce ensures unmatched durability and longevity, making it a reliable choice for even the most demanding outdoor environments. Its black powder-coat finish not only enhances its durability but also offers universal matching ability, allowing you to seamlessly integrate it into any architectural or landscape design. Designed to meet the unique needs of professionals, this sconce features a smaller mounting bracket, specifically crafted to fit lanai and pool cage posts. Its moisture-tight design ensures optimal performance, even in challenging weather conditions, providing your clients with up- and downlighting solutions that stand the test of time and create captivating lighting effects that highlight key features of outdoor spaces.
