

# AMP® Low Voltage Landscape Lighting

## AMP® Mini PinnaclePro Black Path & Area Light-(APL-3017-4-B-BK)

### PRODUCT DESCRIPTION

Elevate your outdoor spaces with the AMP® Mini PinnaclePro MR11 Black Path & Area Light. Meticulously crafted with solid cast brass construction, this path light combines durability and aesthetic appeal for a truly remarkable lighting solution. Boasting a sleek black powder-coating finish, this luminaire not only stands the test of time but also adds a touch of modern sophistication to your landscape. The combination of strength and style ensures that your outdoor lighting remains a stunning focal point day and night. What sets this path light apart is its versatility. With its adjustable glare guard and unique 90° elbow, the Mini PinnaclePro MR11 transforms effortlessly into a directional path light with precision-aiming capabilities akin to a spotlight. Illuminate your pathway with laser-like accuracy, guiding your way while enhancing the surrounding environment.

### PRODUCT DIMENSIONS

### FEATURES & BENEFITS

- Cast Brass Construction.
- Beryllium copper socket – more corrosion resistant than copper.
- Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
- Pressure-fit rubber gasket for a moisture tight design
- Extra-long (1-inch) strip resistant threading and solid brass locknut provide superior mounting stability.
- 1" Thick, solid brass, unbendable stem
