AMP® Low Voltage Landscape Lighting

Black Mini PilotPro - APL-3024

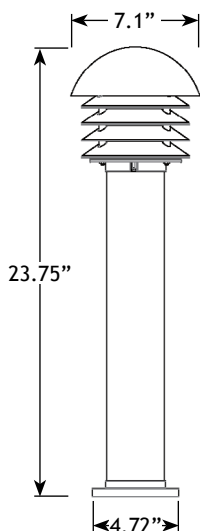

PRODUCT DESCRIPTION

The AMP® 12V 24" Black Mini PilotPro Bollard Light combines durability, style, and functionality for walkways, driveways, and high-traffic areas. Made from solid brass with a black powder-coated finish, it provides long-lasting performance in residential and commercial settings. The four-louvered dome design minimizes glare while delivering even, wide-area illumination.

This bollard offers multiple mounting options, including surface mounting, stake mounting (brass coupler included), or concrete installation (anchors not included). The adjustable MR16 socket allows for customized beam spreads up to 10 feet, while a polycarbonate cylinder protects the bulb from outdoor elements.

PRODUCT DIMENSIONS

FEATURES & BENEFITS

- ▶ Solid brass construction for a lifetime durability.
- ▶ Durable black powder-coating finish
- ▶ Adjustable MR16 bulb socket - height can be adjusted for beam spreads up to 10' in diameter.
- ▶ Four louver design for maximum illumination and glare control.
- ▶ Polycarbonate cylinder protects bulb from elements
