

AMP® Low Voltage Landscape Lighting

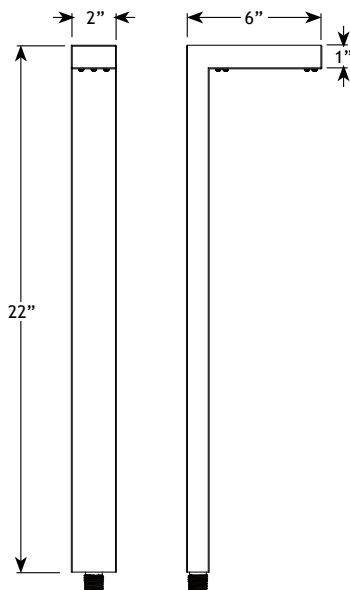

Wide NovellePro Path & Area Light- APL-3026

PRODUCT DESCRIPTION

The AMP® Wide NovellePro is now available in rust-resistant 316 stainless steel, which complements its modern aesthetic. The shatter-resistant polycarbonate lens provides clear light distribution with a generous beam spread thanks to its 22" height. The modern design makes this fixture ideal for modern residential properties, rooftop spaces, and pathway and garden illumination. The moisture-tight design and hassle-free lifetime warranty guarantees reliable operation in any weather, offering peace of mind to both you and your clients.

PRODUCT DIMENSIONS
