

AMP® Low Voltage Landscape Lighting

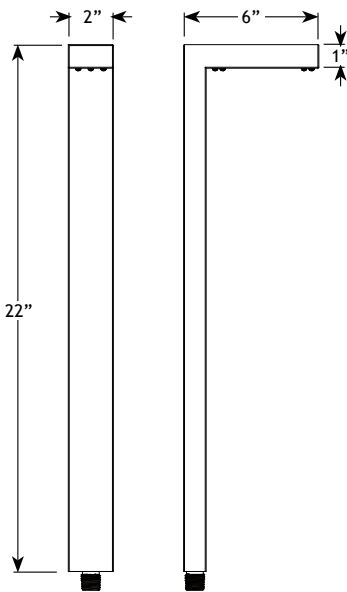

AMP® Wide NovellePro Black Path & Area Light -(APL-3026-4-B-BK)

PRODUCT DESCRIPTION

Designed with clients' needs in mind, the AMP® Wide NovellePro Black Path & Area Light features a moisture-tight design that guarantees exceptional performance in any weather condition. Rain or shine, you can trust this path light to deliver reliable and consistent illumination, allowing your clients to enjoy their outdoor spaces even during inclement weather. But it's not just about durability—the Wide NovellePro Path Light also offers unparalleled style and versatility. Its low-profile design and clean lines effortlessly complement a variety of architectural styles, making it a versatile choice for any landscape project. Whether illuminating pathways, garden beds, or outdoor gathering areas, the Wide NovellePro Path & Area Light adds a touch of elegance that enhances the overall ambiance of the space.

PRODUCT DIMENSIONS

FEATURES & BENEFITS

- ▶ Sheet Brass Construction.
- ▶ Pre-aged finish; no powder coating, paint or finish to wear off or peel—just natural patina that does not corrode.
- ▶ Beryllium copper socket – more corrosion resistant than copper.
- ▶ Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
- ▶ Polycarbonate shatter-resistant lens
