

Lumen Logic™

Integrated LED Solar Path Light (Black)

Project Name: _____
Date: _____
Location: _____
Type: _____
Model Number: _____
Quantity: _____
Prepared By: _____
Comments: _____

Dimensions

Height	4.55" Hat only
Width	7.57" Hat only
Depth	8.68" Hat only

Specifications

Materials

Construction	Plastic
Finish	Black
Lead Wire	None
Lens	Clear
Mounting	10" Stake

Photometrics

Light Source	Integrated
Light Output (Lumens)	40 Lumens
Beam Angle	360° light pattern
Color Temperature (CCT)	2700K
Color Rendering Index (CRI)	>80
Warranty	2 Year

Description

The Lumen Logic™ Integrated LED Solar Path Light is crafted for versatile placement thanks to its wireless design. Its integrated solar panel harnesses sunlight, activating automatic dusk-to-dawn functionality. With a full charge (achieved in 8-12 hours), it emits a comforting 2700K warm glow at 40 lumens. As night falls, the light softly dims before gracefully turning off, offering up to 6 hours of illumination, depending on the charge. Engineered with an IP65 rating, this fixture boasts a water-tight design, ready to endure the elements

Notes

1) Information provided is subject to change without notice. All values are design or typical values when measured under laboratory conditions.
2) Incandescent Equivalent: The incandescent equivalent as presented is an approximate number and is for reference only.
