VOLT® Low Voltage Landscape Lighting

VOLT® Top Dog Scotty Downlight- VAL-1810

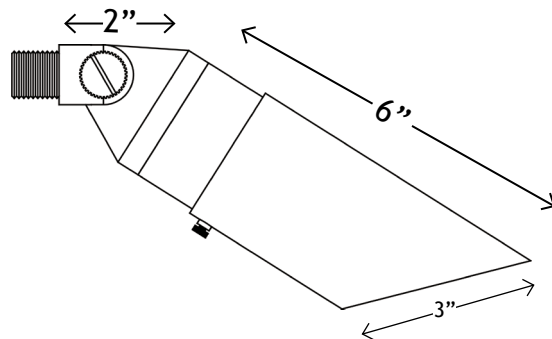

PRODUCT DESCRIPTION

With its precise design, this downlight fixture delivers exceptional performance, specifically crafted to create stunning illumination effects that enhance your landscape's beauty. Constructed from solid brass and complemented by a pre-aged bronze finish, it exudes timeless elegance and durability, further accentuated by its natural patina that gracefully develops over time.

Designed with moisture-tight integrity, the VOLT® Top Dog Scotty Brass Downlight ensures reliable operation in various weather conditions, and its thoughtful weep hole in the center of the lens allows water to escape, preserving its efficiency. The fully adjustable glare guard and knuckle provide ultimate control over the light's direction, making it easy to focus on your desired elements precisely. With an extra-long glare guard, you can achieve extended light projection and create mesmerizing visual effects throughout your outdoor space.

PRODUCT DIMENSIONS

FEATURES & BENEFITS

- Solid Brass Construction.
- Pre-aged finish; no powder coating, paint or finish to wear off or peel - just natural patina that does not corrode.
- Beryllium copper socket more corrosion resistant than copper.
- Water Tight Double Silicone O-Ring - keeps water from entering luminaire.
- Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
- Flat Lens with hole - to help drain water.
- Extra-long (1-inch) strip resistant threading and solid brass locknut provide superior mounting stability.
- Heavy duty adjustable knuckle and adjustable glare guard- allows light to be positioned.
