## VOLT® Low Voltage Landscape Lighting

### VOLT® Mini Brass Spotlight (Bronze) - VAL-2015-BBZ

#### PRODUCT DESCRIPTION

Introducing the VOLT Mini Brass Spotlight - the perfect solution for affordable and stylish landscape lighting. With its compact size and adjustable glare guard and knuckle, this spotlight is perfect for highlighting niche applications such as planters, small garden beds, or small architectural features.

Crafted from solid brass and finished in a sleek bronze, this spotlight is built to last and withstand the elements, ensuring reliable performance for years to come. Its compact size makes it easy to hide and blend into your landscaping while its adjustable glare guard and knuckle with teeth allow for precise aiming.

#### PRODUCT DIMENSIONS

#### FEATURES & BENEFITS

- Spun Brass Construction.
- Pre-aged finish; no powder coating, paint or finish to wear off or peel—just natural patina that does not corrode.
- Beryllium copper socket – more corrosion resistant than copper.
- Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
- Water Tight Silicone O-Ring - keeps water from entering luminaire.
- Extra-long (1-inch) strip resistant threading and solid brass locknut provide superior mounting stability.
- Glare guard and heavy duty adjustable knuckle - allows light to be positioned.
