VOLT® Low Voltage Landscape Lighting

VOLT® G5 Infiniti™ Integrated LED Brass Spotlight- VAL-2051

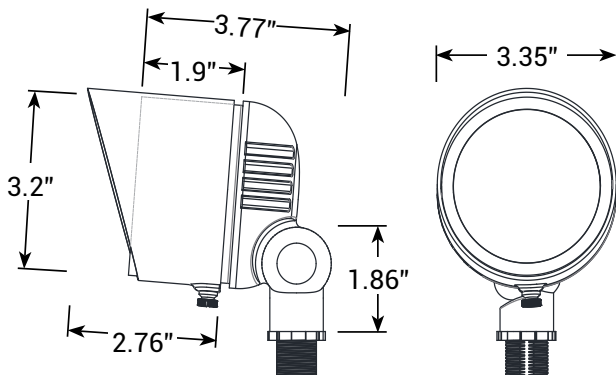

PRODUCT DESCRIPTION

The VOLT® G5 Infiniti™ LED Brass Spotlight & Downlight delivers versatile, high-performance outdoor lighting in a durable black powder-coated finish. Designed for both uplighting and downlighting applications, this IP67-rated solid brass fixture withstands the elements for long-lasting reliability. Its modular design allows for easy LED module replacement, making it a practical and cost-effective solution for homeowners seeking customizable outdoor illumination.

With adjustable white color temperatures (2200K–4000K) and dimming capabilities, this fixture lets you create the perfect ambiance for any outdoor space. Swappable 60° and 38° optics provide flexibility for wide or focused lighting, while the RF remote compatibility (sold separately) enables effortless control over multiple fixtures. A 25' lead wire allows for easy installation, making it ideal for highlighting trees, walls, pergolas, and other outdoor structures.

PRODUCT DIMENSIONS

FEATURES & BENEFITS

- Solid brass construction for long-lasting durability.
- Onyx finish easily blends into any landscape while providing marine and aircraft-grade protection against the harshest of elements.
- Can be used in both up- and downlighting applications.
