VOLT® Low Voltage Landscape Lighting

VOLT® RGBW G5 Infiniti™ Integrated LED Brass Spotlight- VAL-2052

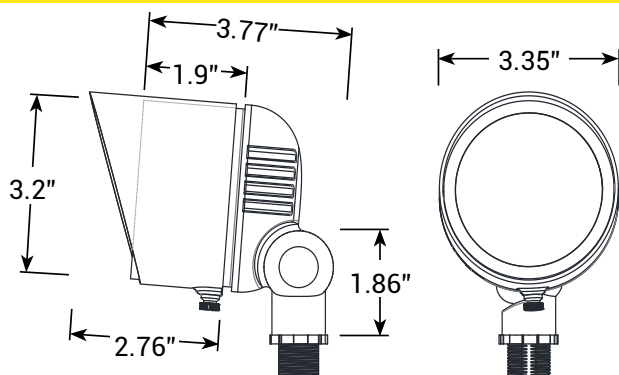

PRODUCT DESCRIPTION

Crafted from solid brass with a durable black powder-coated finish, the VOLT® G5 Infiniti™ Integrated LED Brass Spotlight & Downlight delivers versatile, high-performance outdoor lighting. Its modular design allows for easy LED module replacement, ensuring long-lasting reliability. The integrated RGBW LED provides vibrant color changing illumination, adjustable white color temperatures (2200K–4000K), dimming, and zoning capabilities for customizable outdoor ambiance. A 60° lens comes pre-installed, with a 38° lens included for more focused lighting.

Designed for both uplighting and downlighting applications, this fixture is IP67-rated for superior weather resistance and durability. The RF remote compatibility (sold separately) enables seamless control of multiple fixtures, while a 25' lead wire allows for flexible installation. Ideal for illuminating trees, walls, architectural features, and outdoor structures.

PRODUCT DIMENSIONS

FEATURES & BENEFITS

- Solid brass construction for long-lasting durability.
- Onyx finish easily blends into any landscape while providing marine and aircraft-grade protection against the harshest of elements.
- Correlated color temperature control offers 2200K (682lm), 2700K (724lm), 3000K (744lm), or 4000K (780lm).
- Red (353lm) | Green (556lm) | Blue (113lm)
- Fully adjustable glare guard & knuckle for precision control.

SPECIFICATIONS

- **Construction:** Brass
- **Finish:** Black
- **Lead Wire:** 25' 18 AWG
- **Mounting:** 10" Hammer Stake
- **Lens:** 60° pre- installed with 38° in box
- **Operating Voltage:** 12VAC
- **Powered by:** VOLT's Low Voltage Transformer
- **Light Source (not included):** Integrated
