VOLT® Low Voltage Landscape Lighting

VOLT® RGBW G5 Infiniti™ Integrated LED Brass Spotlight- VAL-2052

PRODUCT DESCRIPTION

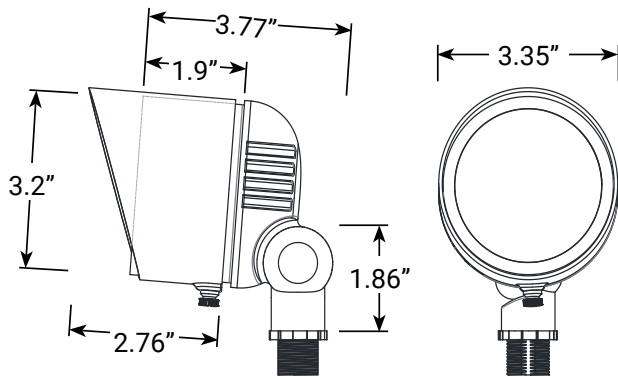

Crafted with solid brass in a durable bronze finish, the 5th generation of our Infiniti spotlight features a modular design that allows for easy replacement of the 15W color changing LED module, ensuring long-lasting performance and adaptability. The integrated LED provides vibrant, customizable lighting with a full spectrum of colors, adjustable color temperatures, dimming controls, zoning capabilities, and precise optics for stunning illumination. A 60-degree lens comes pre-installed for wide coverage, with an additional 38-degree lens included for more focused lighting applications.

Engineered for ease of use, the G5 Infiniti™ utilizes RF control, requiring the VOLT® RGBCW RF Remote Control (sold separately), which can manage multiple fixtures simultaneously. The connectors inside the fixture ensure quick and secure connections for effortless installation or future upgrades. A generous 25' lead wire further enhances installation flexibility.

Built for durability, this IP67-rated fixture has undergone rigorous testing to ensure reliable performance in any environment. It's ideal for outdoor applications such as uplighting trees, walls, or architectural features, adding a dynamic and vibrant aesthetic to your landscape.

PRODUCT DIMENSIONS
