VOLT® Low Voltage Landscape Lighting

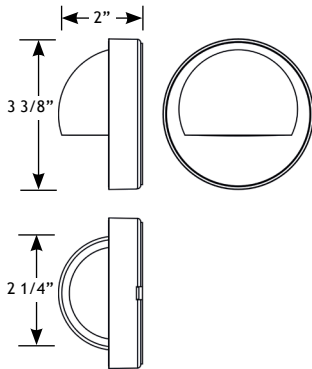

VOLT® Cast Brass Deck Light (Black)- (VDL-600-25-BBK)

PRODUCT DESCRIPTION

Elevate your deck lighting project with the VOLT® Cast Brass Black Deck Light, designed specifically for those seeking an easy-to-install, modern and stylish lighting solution for their deck. Crafted with meticulous attention to detail, this deck light features a robust cast brass construction, ensuring durability and longevity in outdoor environments while a moisture-tight design further ensures protection against the elements. The ceramic white interior maximizes light output, providing a warm and inviting glow that enhances the beauty of your deck space, creating a captivating and well-lit outdoor oasis, all on your own.

PRODUCT DIMENSIONS

FEATURES & BENEFITS

- Solid cast brass construction
- Black powder-coated finish
- Accepts halogen or LED G4 bi-pin bulb
- Made to fit where other deck lights may not.
- 25' 18AWG lead wire
- Ceramic white interior reflects light to maximize output and beam spread
- Beryllium copper socket is more corrosion-resistant than regular copper
- Silicone plug where lead wires exit fixture; this prevents ground moisture and insects from entering
