# VOLT® Low Voltage Landscape Lighting

## VOLT® 12V 27W RGBCW Integrated Flood Light - VFL- 4522

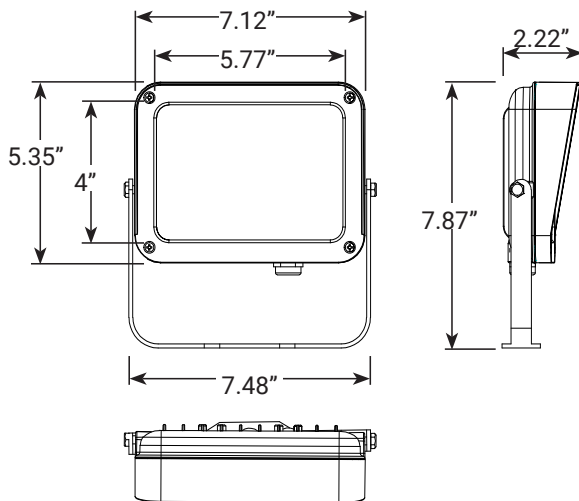

### PRODUCT DESCRIPTION

With a 120° beam spread, this commercial-style flood light is ideal for lighting up and adding color to expansive areas, or large landscape and architectural features. The included yoke mount allows the flexibility to position the light as needed.

Crafted for long-lasting endurance, this flood light features a solid brass construction, pre-aged bronze finish, and an IP65 rating signifying that this is sealed to protect from dust and jetting water. Requires VOLT® RGBCW RF Remote Control (sold separately) for color-changing, dimming, and color temperature features.

### PRODUCT DIMENSIONS

### FEATURES & BENEFITS

- Solid Brass Construction.
- Pre-aged bronze finish that will naturally patina with age.
- Color-changing integrated LED light source – no bulbs to replace.
- 120° beam angle provides expansive coverage.
- Adjustable yoke mount allows light to be positioned as needed.
