VOLT® Low Voltage Landscape Lighting

VOLT® G2 RGBCW BuddyPro™ Brass LED Puck Light- VHS-6736

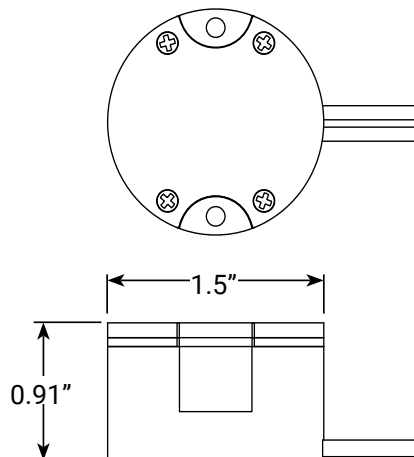

PRODUCT DESCRIPTION

The G2 BuddyPro RGBCW Puck Light offers exceptional versatility and durability. Engineered for both surface and recessed installation, this fixture provides unparalleled flexibility in design and application. Its IP67 rating ensures optimal performance in various outdoor environments.

Featuring adjustable color temperature, brightness, and zoning capabilities, the BuddyPro empowers users to create customized lighting experiences. Optional lenses (included) and glare guards (sold separately) further enhance the fixture's adaptability. Ideal for illuminating or being installed in a variety of applications, including pathways, gardens, decks, railings, overhangs, & more the BuddyPro is a premium choice for any landscape lighting project. Requires VOLT® RGBCW RF Remote Control (sold separately) for color-changing, dimming, and color temperature features.
