VOLT® Low Voltage Landscape Lighting

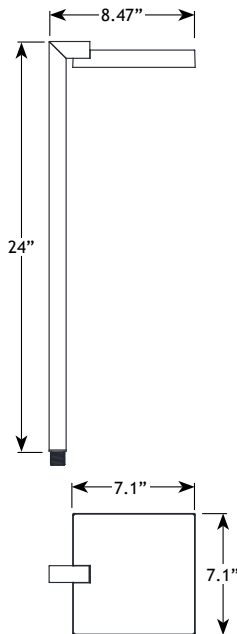

VOLT® - Modernelle Flat Top - VPL-1052-4-BBK-R1

PRODUCT DESCRIPTION

The modern style and exceptional performance of our Flat Top Modernelle path light gets a new black powder-coating finish that adds to the sleek look and modern appeal, seamlessly blending into the night.

Create your ideal lighting effect with the choice of soft and even illumination or a crisp, direct light with the included clear and frosted lenses. Combining the power of our G4 bi-pin bulbs with the ceramic white paint on the underside of the shade ensures maximum lumen output. This path light is perfect for illuminating pathways, driveways, gardens, and more.

FEATURES & BENEFITS

- Solid Cast Brass Construction.
- Beryllium copper socket – more corrosion resistant than copper.
- Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
- Water Tight Silicone O-Ring - keeps water from entering luminaire.
- Extra-long (1-inch) strip resistant threading and solid brass locknut provide superior mounting stability.
- Ceramic white paint under shade for maximum lumen output.
