## VOLT® Modernelle Flat Top Brass Path Light (Bronze) - VPI-1052-BBZ

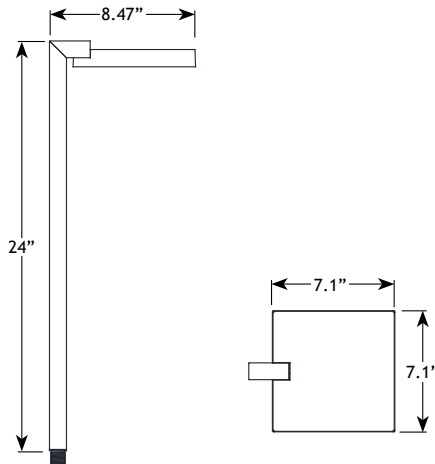

### PRODUCT DESCRIPTION

Introducing the VOLT® Modernelle Flat Top Brass Path Light - the perfect combination of modern style and exceptional performance. Crafted from solid cast brass and finished in sleek bronze, this path light boasts a unique flat top design that is sure to impress.

In addition to its modern style, the Modernelle Flat Top Path Light is designed for durability and longevity. The solid cast brass construction and bronze finish ensure that this fixture can withstand the elements and provide reliable performance for years to come. The slight gradient on the top of the fixture also helps to prevent water pooling, ensuring that the light always shines brightly.

Lifetime Warranty

### FEATURES & BENEFITS

- Solid Cast Brass Construction.
- Pre-aged finish; just a natural patina that does not corrode.
- Beryllium copper socket – more corrosion resistant than copper.
- Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem.
- Water Tight Silicone O-Ring - keeps water from entering luminaire.
- Extra-long (1-inch) strip resistant threading and solid brass locknut provide superior mounting stability.
- Ceramic white paint under shade for maximum lumen output.
