

# VOLT® Low Voltage Landscape Lighting

## China Hat 5" Path & Area Lights - 322 Series

### Product Description

The China Hat 5" Path & Area Light is a high-quality outdoor light that is perfect for illuminating pathways, walkways and even small flower beds. The solid construction is designed to stand up to everything that mother nature throws at it, yet still be easily accessible for maintenance.

Two models are available - one constructed of solid brass, the other of copper. Corrosion-resistant internal components and an easy-to-change bulb socket-and-enclosure ensure years of optimal performance. - Lifetime Warranty.

### Product Dimensions

### Features & Benefits

- ▶ Solid Brass or Copper Construction
- ▶ Pre-aged finish; –a natural patina that does not corrode
- ▶ Stem is 1-inch thick and includes extra-long (1-inch) strip resistant threading for greater stability
- ▶ Beryllium copper socket - more corrosion resistant than copper
- ▶ Silicone plug at lead wire exit prevents ground moisture and insects from entering luminaire through the stem
- ▶ Machine threaded body screws tight onto an O-ring for a moisture tight design
