VOLT® Low Voltage Landscape Lighting

VOLT® G2 Solar Integrated LED Post-Top Light- VSPL-1046

PRODUCT DESCRIPTION

Transform your deck or patio while "Going Green" with our improved Solar Integrated LED Post-Top Light. With a full charge, this solar post-top fixture offers 50 lumens of subtle, balanced illumination for several hours, then will gradually and subtly dim throughout the night before powering off for a total of approximately 6-7 hours of use each night. Quick and easy installation with mounting hardware included for standard 4x4 post installation.
