# VOLT® Low Voltage Landscape Lighting

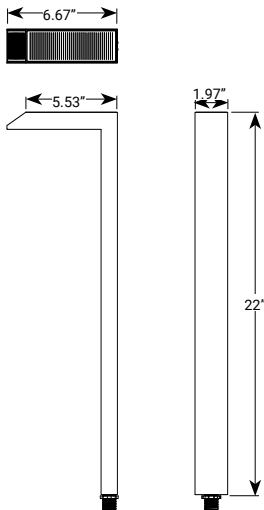

## VOLT® Solar Modernelle Integrated LED Path & Area Light - VSPL- 1054

### PRODUCT DESCRIPTION

Introducing the VOLT® Solar Modernelle Integrated LED Path & Area Light! This eco-friendly version of our Modernelle path light features a moisture-tight, solid brass construction with a pre-aged bronze finish that is built to last. With an IP65 rating, this path light was designed to thrive in various weather conditions by protecting against dust and jetting water. Includes pre-installed lithium rechargeable batteries.

Featuring a built-in solar panel on top, this integrated LED path light harnesses the natural power of the sun to deliver 31 lumens of a warm 2700K glow for up to 8 hours, depending on charge. Install this path light with ease and illuminate pathways, driveways, and gardens thanks to a wireless design that also makes this fixture perfect for areas without low-voltage wiring.

### PRODUCT DIMENSIONS
